IN THE COURTS

News of Trials and
Papers Filed.Guardianship Accounts in the Estates
of J. C. Strow and R. W.
Holt are in.

The final account of John S. Walker, administrator of the estate of J. C. Strow, has been filed in the Circuit Court, in which the administrator charges himself with \$1,103.10 and gives expenses at \$781.46, giving a balance of \$321.64. The day for hearing petition for discharge as administrator has been set for June 18. An inventory of the deceased's real and personal property shows a total value of \$2,598.88.

An account in the guardianship matter of R. W. Holt, a spendthrift, has also been filed by John J. Walker, guardian, in which the latter charges himself with \$989.57, expenses \$1,072.47. A net balance, however, is shown in the sum of \$82.90.

E. J. Mahoney, committed by the District Court for assault and battery, was yesterday discharged by Judge Stanley, upon the request of E. P. Dole to nolle prosequi the case.

In the matter of the guardianship of J. D. Holt, J. S. Walker, guardian, has filed his account from September, 1899, to April 30, 1900, in which he charges himself with \$1,474.92; expenses, \$1,416.40, leaving a balance of \$58.52.

In the matter of the guardianship of Ruth and George Richardson, minors, the mother of the beneficiaries, Amelia Richardson, has petitioned the Circuit Court to increase the annual allowance for the education, support and maintenance of said minors from \$2,000 to \$3,200, to begin May 1st, 1900. Petitioner, who is a resident of Hilo, Hawaii, avers that the present income of said minors is more than ample to meet the extra allowance asked for. It is the petitioner's desire to have the minors remain abroad for some time to complete their education.

A nolle prosequi was asked for by E. P. Dole in the case of Leo Duval et al., and defendants were discharged by Judge Stanley.

An order by Judge Davis filed yesterday in the Circuit Court approves the accounts of E. H. F. Wolters, defendant in case of Kaahemakulu Nahoioawa vs. E. H. F. Wolters, bill for account and for cancellation of mortgage. This is in accordance with the report of J. H. Thompson, master, who is allowed a fee of \$150 by the court.

The case of F. C. Parker of Buena Vista Hospital, charged with selling poi and molasses for opium, has been appealed.

Bill Santos, alias Peter Fernandez, pleaded guilty to carrying concealed weapons, and Judge Stanley fined him \$5, with \$3.50 costs. E. P. Dole for prosecution; J. M. Vivas for defendant.

ROOKE DECISION
IS FAR REACHINGQueen's Hospital and Many Private
Persons Lose Annuities by
Court's Judgment.

The result of the lawsuit of Captain Rooke against the Queen's Hospital is far reaching in its effects, and many private annuities and revenues are summarily cut off by the recent decision. The Queen's Hospital loses a large share of its annual revenue. The decision is sweeping in character, and all other suits which have hinged on the one just ended, will be withdrawn from Court.

Queen Emma's annuities which have been drawn by a large number of Hawaiians are cut off, among them being that of Prince Albert Kuniakaea who received about \$2,000 a year, as a residuary legatee under her will. Among the others are Lucy Peabody, \$900 per annum; Mary Liwai, \$300 per annum; Grace Kahoali (now Mrs. Pihana), \$300 per annum; and St. Andrew's Priory, \$600 per annum, for scholarships to Hawaiian girls.

The Bishop Estate has discontinued the cases against the following persons affected by the decision: David Dayton, Mrs. Kathrin Singer, E. M. Carter, J. O. Young and Mrs. Mary M. Seabury. There is understood to be no claim anticipated for back rents from the lands.

The property most valuable is situated in the heart of the city. The old "French Hotel Premises," are at the corner of Hotel and Union streets, the property being occupied by the present stores of Hart & Company, King & Co., and extends for a considerable distance up Union street. The Queen Emma premises, comprise the large corner at Beretania and Nuuanu streets.

Kaluna Sentenced.

"Barefooted Bill's" companion, Kaluna, was sentenced to fifteen years' imprisonment in Oahu Prison yesterday morning by Judge Stanley for the burglary of W. W. Dimond's store. He

will be put at hard labor during that period, and Honolulu will feel safe from the man's peculiar methods of robbery from now on. The case against Kaluna for the Kerr & Company burglary was nolle prossed. Deputy Attorney General Dole appeared for the prosecution.

OF INTEREST TO
HILO RESIDENTSGame of Basket Ball in Kingston,
New York, for Miss Grubb,
the Nurse.

The following from the Kingston (New York) Daily Freeman will be of interest to Hilo people:

A benefit game of basket ball will be played at the armory some night during Easter Week between the teams of the Fourteenth Separate Company of this city and the Fifteenth Separate Company of Poughkeepsie. The proceeds will be for the benefit of Miss Grubb, who was head nurse at the hospital at Hilo, Hawaiian Islands, while the First Regiment of New York volunteers was stationed there, but a little over a year ago. Miss Grubb is now broken down in health and is in need of financial assistance. It is thought by her physicians that a trip from Hilo to San Francisco and a stay in the latter city will result in her recovery, and it is for this purpose that the benefit game will be played at the armory between the teams of two of the companies who were benefited by her tender nursing. Four members of the Fourteenth Separate Company, then known as Company M, were sick at the Hilo hospital, and many members of the other companies forming the First Regiment were also nursed back to health by Miss Grubb and her assistants. Sergeant Walter Van Gaasbeek of Company M was a patient at the Hilo hospital and died there.

The members of the companies which formed the First Regiment are enthusiastic in their praise of Miss Grubb and have always said that if an opportunity presented itself whereby they could repay her kindness in nursing them they would improve it to the best of their ability. The managers of the basket ball teams of the Fourteenth and Fifteenth Separate Companies readily consented to the playing of the benefit game and have decided to have it played during Easter week, but have not yet agreed upon the date. Both teams are too well known to need any recommendation, and a good game is assured. The worthy object for which the game is to be played will be an incentive to many people to attend the game and the largest crowd of the season will undoubtedly be present.

BEWARE OF A COUGH.

A cough is not a disease but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and if properly treated as soon as this cough appears are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and extensive sale by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale by Benson, Smith & Co., Ltd., wholesale agents.
